

CITIZENS MEMORIAL HEALTH CARE FOUNDATION

IMPACT REPORT

June 1, 2023 - May 31, 2024

Thank You for helping us serve others!

At Citizens Memorial, each employee's name badge includes our SERVE (Safe, Engaged, Respectful, Valued and Empowered) Values. It reminds us daily that we achieve our purpose and make a difference by serving others.

Without each of you — our generous donors — we would not be able to deliver the safest, highest quality care and the best experience to our patients and residents.

From babies to senior adults, your gifts impact the lives of your family, friends, neighbors and community. When you support the Foundation and our charitable work, you are part of something meaningful and impactful and help us connect back to our mission: to provide compassionate care.

Thank you for supporting the Citizens Memorial Health Care Foundation.

Michael Calhoun
CEO/Executive Director

Carrie J. Babb Cancer Center at CMH

The Carrie J. Babb Cancer Center is a collaboration between Citizens Memorial Hospital and Central Care Cancer Center, based in Salina, Kansas.

How your donations help: Providing unreimbursable services and needs cancer patients may experience during treatment. Often this includes social services, dietitian consults, dental care, transportation, groceries and nutritional supplements.

Tremain Hospitality House

The Tremain Family Hospitality House is on the CMH campus, giving patients and families the warmth and comfort of a home while away from home. Patients making frequent visits for treatment and appointments can stay at the house for a nominal fee. The majority of our guests are cancer patients.

How your donations help: Reducing the cost for guest stays.

Hospice

CMH Hospice caregivers help patients remain comfortable with family and friends at home or in a homelike setting. A bereavement program also supports families after a loved one's death.

How your donations help: Ensuring physical, emotional, spiritual and bereavement care for all terminally ill patients and their families in our area.

CMH Senior Health Center

The CMH Senior Health Center offers free exercise memberships to area residents 55 and older.

Sporting Clay Shoot

The Sporting Clay Fundraiser, presented by SGC Foodservice, made its debut in 2023. Teams of four compete to raise money for the CMH Foundation, which helps to provide lifesaving care and services to Citizens Memorial patients and residents. At the end of each round, teams are placed into flights. The top team in each flight receives trophies.

NEW PROGRAM

Club 1982

CMH started a new employee giving program, Club 1982, named after the hospital's opening date in 1982. Club 1982 helps support our staff, both personally and professionally, and invites them to be part of our culture of philanthropy.

The fund has four areas of support:

- Employee Crisis Care
- Scholarships
- Patient/Resident Compassion
- Special Projects

About 625 employees are enrolled in Club 1982, giving about \$130,000 per year.

Craig Lehman-Shelter Insurance has been the presenting sponsor for the Heroes for Hospice 5K/10K since 2021.

PHILANTHROPY: *A lifelong pursuit*

For Craig and Lisa Lehman of Bolivar, giving back to their community is a lifelong pursuit that started by following the example set by their parents.

“Craig’s parents are very active in their church, and my parents were active in the community and especially the hospital,” Lisa said. “They were involved in school, and my dad was in Rotary. Philanthropy has always been a big focus, even in college. We were active in philanthropy organizations there, too. It seems like the natural thing to do.”

The family’s roots run deep at CMH. Lisa’s dad, Wayne Wilson, was a charter member of the Citizens Memorial Hospital District Board of Directors from 1978-2017. Her mother, Rowena Wilson, was a charter member of the CMH Auxiliary. They were both actively involved with the opening of the hospital.

Why give to CMH?

“When you give to the hospital, it reaches so many people,” Lisa said. “I think that’s why we like our dollars to go there. We don’t have to worry about where it’s going. We know that it’s going to be used in a way that it’s going to benefit a lot of people.”

From tending to their children’s sports injuries to caring for their parents in long-term care, Craig and Lisa have always depended on CMH and appreciated the convenience of quality health care close to home.

“We’re very fortunate to have such an outstanding hospital,” Craig said.

Giving for future generations

“Technology changes so rapidly, particularly in the medical field, that it’s important that we have the current technology, but even more so for our kids and their kids and so that the hospital is prepared,” Craig said.

“It’s absolutely vital for our community to have those services going forward,” Lisa added. “And if you feel like you can’t donate monetarily, the auxiliary is the perfect way to also be able to give back.”

Whether you want to make a financial donation or volunteer with the CMH Auxiliary, you can contribute to your community’s future through CMH.
